

ENVIRONMENTAL POLICY INITIATIVE

Seminar / Workshop

“Soil and Water Conservation in Ugandan Agriculture”

Mike Betz

(Agricultural, Environmental and Development Economics, Advisor: David Kraybill)

“Future Freshwater Shortages in America and Implications for
Policymaking”

Scott Stuckman

(Environmental Science, Advisor: Jialin Lin)

Friday, June 4th, 2010
10:00 – 11:00 a.m.
Room 29
Derby Hall
154 N. Oval Mall

EPI members as well as other **faculty and graduate students interested in environmental policy are encouraged to attend**. This will be an excellent opportunity to review a range of research progress supported by the EPI summer dissertation prospectus grant.
