Notes: AEDE Doctoral Students are required to take 12 credit hours of Frontiers courses and 12 credits of Foundations courses over their second and third years in the program. AEDE Doctoral Students are required to take AEDE Econ 8800 each autumn and spring semester that they are registered for classes beyond their first year. This requires that the student attend and document attendance at a minimum of 4 seminars. If a seminar is taken outside of AEDE, the student is responsible for obtaining the signature of the seminar chair at the beginning of the seminar.
