---	---	---

Notes: AEDE Doctoral Students are required to take 6 field classes, with a minimum of 4 being taken in AEDE. These courses should be taken during the second year of study.

AEDE Doctoral Students are required to take AED Econ 8800 each autumn and spring semester that they are registered for classes beyond their first year. This requires that the student attend and document attendance at a minimum of 8 seminars. If a seminar is taken outside of AEDE, the student is responsible for obtaining the signature of the seminar chair at the beginning of the seminar.
